## Register: Strategic Productivity for the Leadership Team event

Discover why an organisation's leadership team needs to focus on productivity for real growth at our online conference for business, held 12:00-14:00 BST on Wednesday 21 September. Register on [Eventbrite](#) and read the [conference pack](#) for more information.

## The Productivity Policy Agenda: podcast

The [final episode](#) of season one of Productivity Puzzles features [Catherine L Mann](#), [Diane Coyle](#) and [Adrian Pabst](#) discussing long-term commitments and short-term priorities for the new UK government. The discussion was picked up in [David Milliken's article](#) for Reuters.

## Collaboration between regions can drive levelling up

Raquel Ortega-Argilés' [piece](#) for Research Fortnight, which also appeared in Research Professional News, looks at the steps the new Prime Minister Liz Truss should take to deliver more balanced development across the UK and remove bottlenecks to levelling up.

## World KLEMS conference

The [seventh conference of World KLEMS](#) will be hosted by TPI at the Alliance Manchester Business School on **12-13 October**. Read the [preliminary programme](#) and [register](#) for the conference.

## Making Public Sector Productivity Practical: report

[Bart van Ark](#) has produced a [report](#) in conjunction with [Capita](#), which looks at how public sector productivity can be increased. It provides an overarching guide looking at the barriers, opportunities and drivers of productivity growth in public services. Read the accompanying [blog post](#) from Bart and [Diane Coyle](#).

## The Productivity Institute's website refresh

We've refreshed our website to better highlight the research and work undertaken at The Productivity Institute. Take a look at [www.productivity.ac.uk](http://www.productivity.ac.uk)

## British Journal of Management: call for papers

This special issue on *Reimagining business and management as a force for good* encourages theoretical and empirical contributions on how business and management is taking on a broader social purpose in order to address grand societal challenges. Closes **15 October**. Submit an article on [Wiley Online Library](#).

**Economic and Social Research Council**

## Funding: UKRI Innovation and Research Caucus

[Apply for funding](#) to lead a network of innovation and research funding experts. The £6m grant is open to principal investigators based at UK research organisations eligible for UKRI funding and business, third sector and government body co-investigators. Closes **27 September**.

## TPI expertise

- TPI's [Richard Jones](#) and [Jonatan Pinkse](#) participated in a session of the [British Academy of Management Conference](#), called *Net Zero, Productivity & Green Recovery: Can we level up by decreasing carbon emissions and increasing productivity* on 2 September. [Tera Allas](#), chair of

our Advisory Committee, also presented at the BAM Conference, talking about how businesses can innovate as a force for good. Highlights from the conference are available on [YouTube](#).

- Diane Coyle and Bart van Ark joined a roundtable discussion on Trust, Well-being and Productivity at the [International Association for Research in Income and Wealth's general conference](#) in Luxembourg. Listen to our [podcast episode](#) on the subject.

## International Productivity Monitor: 42nd edition now available

The latest issue of this journal features articles about productivity in construction value chains, the effect of China on manufacturing productivity in other countries, and a number of pieces for the IPM's Symposium on Well-being. [Download the journal](#) for free to read articles from [Diane Coyle](#), [Conal Smith](#), [Tim Hazledine](#) and more.

## Research opportunities

The Productivity Institute and its partners are offering the following research job and publication opportunities:
