Strategic Productivity for the Leadership Team

[Watch the recordings](#) of our 2022 Business Conference, where [Dame Rotha Johnston](#) gave the keynote, [Bart van Ark](#) spoke to [Peter Cheese](#), and we hosted a roundtable about how collaboration across leadership teams on productivity is vital. Read the corresponding [briefing paper](#).

How to measure productivity in the non-profit sector

[Josh Martin](#) and Jon Franklin examine the best framework for measuring the non-profit sector, which includes educational establishments, charities, and social organisations in their new working paper [Fuller measures of output, input and productivity in the non-profit sector: a proof of concept](#).

ANNUAL
REVIEW
2021/
2022

TPI Annual Review

The Productivity Institute's review of its second year is [now available](#). We are grateful for the fantastic work and support from all our affiliated researchers, partner institutions, and business leaders, Regional Productivity Forum chairs and members.

Does welfare spending improve productivity?

A [paper](#) by TPI collaborators [Nigel Driffield](#),

[Xiaocan Yuan](#) and [Yama Temouri](#) finds that welfare spending helps to retain investments already won by a country and, therefore, contributes to higher productivity.
